Paying TAPE annual dues by Pay Pal for those WITHOUT a Pay Pal account

Instructions

A lot of folks do not have or like PayPal. We understand. However, PayPal has been improved 1000% over yesteryears PayPal and now will accept your regular MasterCard & Visa credit cards. So at the Annual Pay link on the TAPE home page, when you click on Pay Annual Dues, you'll open a page that displays this screen:

A screenshot of the PayPal payment interface. At the top is the PayPal logo. Below it, the text "Pay with PayPal" is displayed, followed by the instruction "Enter your email address to get started." There is an input field labeled "Email". Below the input field is a blue button labeled "Next". Underneath the "Next" button is the text "Use phone number instead" with a horizontal line and the word "or" below it. At the bottom of the form is a gray button labeled "Pay with Debit or Credit Card". At the very bottom of the page, there are language options: "English | Français | Español | 中文".

Please click on the gray colored box labeled "Pay with Debit or Credit Card" and you'll then be able to use your regular credit card to update your dues. If your dues have been delinquent for more than a year, you'll need to contact the Secretary Coy West, (254) 337-1192 for your totals.

By keeping your TAPE dues updated, this allows us to solicit quality and informative instructors for YOUR continuing education classes. Airplane tickets are not cheap.
